DBSA: Graduate Programme 2024 Apply Here

Description

Join us for an immersive Graduate Programme aimed at cultivating talent and providing a comprehensive understanding of development finance. As a graduate, you will have the opportunity to work across various departments, gaining exposure to impactful projects, mentorship from industry experts, and hands-on experience in driving sustainable development initiatives.

Responsibilities

- Engage in rotational assignments across different departments within DBSA
- Contribute to project research, analysis, and implementation under the guidance of senior staff
- Collaborate with teams on strategic initiatives aimed at fostering socio-economic growth
- Participate in workshops, training sessions, and learning modules to enhance skills and knowledge
- Present findings and recommendations based on project evaluations and analyses

Qualifications

- Recent graduate or final year student pursuing a degree in fields related to finance, economics, engineering, development studies, or other relevant disciplines
- Strong analytical, problem-solving, and communication skills
- Passion for driving positive change and contributing to sustainable development
- Adaptability and eagerness to learn in a dynamic and challenging environment
- Demonstrated leadership potential and a proactive approach to work

Job Benefits

- **Mentorship and Guidance:** Access to seasoned professionals and industry experts providing mentorship and guidance throughout the programme.
- **Exposure to Impactful Projects:** Opportunity to work on meaningful projects that contribute to socio-economic development in Southern Africa.
- **Professional Development:** Engage in workshops, training sessions, and learning modules aimed at enhancing skills in finance, project management, development studies, and more.
- **Networking Opportunities:** Connect with professionals within DBSA and across the development finance sector, expanding your network for future career prospects.
- **Career Growth:** Possibility of long-term career prospects within DBSA or other relevant sectors, building a solid foundation for a successful career in development finance.
- **Competitive Compensation:** Receive a competitive stipend or salary
